

SAMIR BEN COMPLETES GRAFF LE MANS CUP LINE-UP FOR THE REST OF THE SEASON

The young Swiss driver will participate in the season's last two races on car #39.

Coming up from German and Italian F4 championships, Samir Ben made his endurance racing debut in LMP3 with GRAFF at the beginning of the year in Ultimate Cup Series in Paul Ricard. Along with Luis Sanjuan and Loris Kyburz, he finished the race in 4th place before he raced once again in Hockenheim.

Samir will debut in Michelin Le Mans Cup at Spa-Francorchamps on the #39 Ligier JSP320 with James Sweetnam as his teammate. He will also join the team for the last race of the season in Portimão.

Samir Ben, driver #39: *"I'm really excited to drive in team Graff Racing on the same car as James Sweetnam at the LMC in an LMP3 Car. After a long summer break, and a lot of hard training, to prepare to drive the LMP3 race in Spa, I'm looking forward to achieving some results, gaining knowledge and improvement."*

Pascal Rauturier, Team Manager: *"Samir is a young and talented driver with a big progression capacity. His goal was to enter MLC next year, so this opportunity to join it for a couple of races was golden. He will team up with James which offers a line-up able to create the surprise."*

Next race in Le Mans Cup will be at Spa-Francorchamps on September 23rd.
