

GRAFF TEAMS UP WITH ULTIMATE FOR THE 2023 ELMS SEASON

Graff Racing is pleased to announce its collaboration with team Ultimate for the 2023 European Le Mans Series season.

Founded in 2013 by Matthieu Lahaye, Ultimate made a name for itself within the Endurance world, starting in VdeV up to WEC in 2022 with a LMP2. In 2023, Ultimate will make a double come-back: first in European Le Mans Series and also in LMP3 with the Ligier JSP320.

Building on its experience as programme operator, Graff will provide Ultimate with technical support throughout the season for its Ligier JSP320 n°35.

As for the driving, brothers Matthieu and Jean-Baptiste Lahaye will be joined by Eric Trouillet who will take part in its 4th ELMS campaign in a row.

Pascal Rauturier, Graff Team Manager: *"I would like to thank Matthieu and Jean-Baptiste for their trust. I really think we have a competitive line up to battle for the win with the support of Eric Trouillet who is one of the most experienced Bronze drivers in LMP3. Our team has good momentum since our title in LMP3 in Asian Le Mans Series last winter and we will give our best."*

The 2023 European Le Mans Series season will start on April 23rd with the 4 Hours of Barcelona before 5 other races of 4 Hours until October in Portimão.
