

## GRAFF SECURES TWO NP02 ENTRIES IN ULTIMATE CUP SERIES

Following a very promising start in 2023, GRAFF confirms the entry of two NP02 prototypes in the European Endurance Prototype Cup organised by Ultimate Cup Series. GRAFF aims to keep its momentum going with NP02 as the team won on its debut at the Paul Ricard circuit last November.

Three drivers are already confirmed for the 2024 campaign: Eric Trouillet and Luis Sanjuan who return to the category after their first win last year. Loris Kyburz, single-seater runner-up in 2022, will also join the team for his first full-time endurance campaign after two LMP3 races.

The complete line-up distribution will be published in the next few weeks.

**Loris Kyburz**, driver: *"I am very happy to join Ultimate Cup Series in 2024 with GRAFF for my first full-time campaign since coming 2<sup>nd</sup> in the single-seater series in 2022. My goal is to tackle this new challenge in Endurance Prototype in the best way possible and I am excited to share this adventure with my future teammates. I am very grateful towards GRAFF who offered me this opportunity and I would like to thank my loyal sponsors, partners and people who support me in this dream."*

**Pascal Rauturier**, Team Manager: *"I am extremely motivated by this new challenge: the NP02 is extraordinary! It provides excellent driving sensations, especially as UCS has picked the greatest circuits in Europe. The upcoming season will be fantastic!"*

Ultimate Cup Series' 2024 season will debut on March 17<sup>th</sup> in Paul Ricard and will consist of 6 races around Europe.
