

GRAFF COMPLETES UCS OPENING LINE-UP WITH LOUIS ROSSI AND YANN ZIMMER

For the opening round of the Ultimate Cup Series at Paul Ricard this season, GRAFF fields in three NP02 prototypes with eight high-level drivers.

For the 3rd consecutive season, GRAFF Racing teams up with Louis Rossi in the Ultimate Cup Series. After two podiums in two LMP3 races, Louis Rossi will tackle a new challenge with the NP02. He will make his debuts with the Nova prototype.

He will be joined by Yann Zimmer, the French-Swiss driver who had the opportunity to test the car with GRAFF last February at le Castellet. Both drivers will team up with Loris Kyburz in car #8.

John Corbett will not be able to attend the first race of the season due to clashes with prior commitments. He will be replaced by Alim Geshev, coming up from winning the Radical Gulf Cup Dubai last weekend. He will race alongside James Winslow who will also coach him.

Louis Rossi, driver #8: *"I am happy to join GRAFF for this 2024 season. The whole team did everything to make it happen and it has been my goal since the beginning. We will have a quick team with Yann and Loris and we want to race well. Thanks to all my partners for making it possible."*

Yann Zimmer, driver #8: *"It is with great enthusiasm that I am about to reach Paul Ricard to return in prototype racing for this first round of the year.
